Under MAKE YOUR RESERVATION

Select check in and out dates:

Choose any dates from 7 to 10 Nov on the popup calendars and it calculates the number of nights

Rooms and Guests: Choose the number of rooms and guests for the individual booking request

Click **FIND** and it shows a quote for the average nightly rate for the nights chosen. Check the details

Click **SELECT** and the total rate for your room is shown under the details that you entered. Click **NEXT** to see a larger version of the calendar with the nights chosen in green and the check-in and out dates are tagged in orange. Click **NEXT** again. The remaining pages ask for your personal and payment details.

To book a twin room (2 x Single Beds) instead of the double king bed, add a comment to the OTHER INFORMATION / Additional Requests box below your personal information. Type 'twin room' in the box.
